

VISU CHAIR SLED BASE

MIKA TOLVANEN ON THE DESIGN “The idea for the Visu Chair was to create an elegantly simple interpretation of the archetypal wooden chair. I wanted for the design to have a subdued and timeless character that would add feelings of modern familiarity to any room together with a comfortable seat in form-pressed veneer. Designing the chair as a family that were all aesthetically linked yet could be used for different functions was a study in adapting a design to its surroundings and a process that lasted nearly two years. The Visu Chair is a new perspective on the traditional wooden chair, echoing the ideas of Scandinavian design together with a modern expression.”

Seat width 42,5 cm / 16.75"
Seat depth 40 cm / 15.75"

DESCRIPTION
Bringing lightness into design, the Visu Chair Sled Base combines a simple and comfortable form with a quiet silhouette. Shell in form-pressed veneer with a water-based lacquer. Base in powder coated steel. Stacking pad in injection-molded plastic.

Stacking on Trolley: Without upholstery: 17 -
With upholstery: 15 - With linking device: 15

Stacking on floor: Without upholstery: 15 - With
upholstery: 10 - With linking device: 8

Made-to-order textile and leather with base color option of Black, Grey and White. Option of pre-mounted felt glides upon request for orders above 50 chairs. Transport trolley for storing and moving chairs available.

PRODUCTION PROCESS
Shell is formpressed from wood veneer, then lacquered. If specified, then padded with fire-resitant foam and fully upholstered with textile. Steel sled base is CNC-bent and pow-

der-coated (colored versions) or in brushed steel finish.

MATERIAL
Non-upholstered colored versions with form-pressed veneer shell in water-based lacquer and sled base in powder coated steel. Stacking pad in injection-molded plastic. Upholstered versions: Shell in form-pressed veneer with foam and fully upholstered in textile or leather. Sled base in powder coated steel. Stacking pad in injection-molded plastic.

CLEANING AND CARE
Clean on a regular basis using a damp and clean cloth. Remove stains using a mild mixture of water and detergent. Avoid contact with sharp objects as these can leave scratches in the wood and lacquer.

For upholstery versions, please find specific cleaning instructions for your chosen textile at kvadrat.dk. For leather versions clean leather with a dry cloth regularly. Treat the leather when needed using only special leather treatment products.

SPARE PARTS
Plastic glide and felt glide included.

MADE-TO-ORDER
Non-standard colored chairs are made-to-order. The chairs can be upholstered in all colors from Kvadrat's Remix, Steelcut, Steelcut Trio, Canvas, Clara, Hallingdal, Divina 3, Divina MD, Divina Melange, Colline, Planum, Sabi, Twill Weave, Vidar, Fiord, Balder, Re-Wool, Ecriture & Clay textile series, Ocean (3, 21, 32, 50, 52, 80 & 601) from Rohleder or Refine Leather, Endure Leather and Faux Leather from premium leather suppliers.

Visu Chair w. Sled Base including Linking Device is only available as made-to-order. The Linking Device can only be mounted by the supplier and therefore must be purchased as a spare part in combination with a chair.
